Objective(s) of the Activity

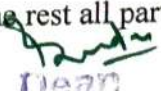

The objective of the webinar was to create awareness among students and faculty members about emerging trends, recent developments, innovative research and future opportunities in pharmaceutical sciences. The activity aimed to encourage participants towards research, innovation, continuous learning and professional development and to provide them with valuable insights into the evolving field of pharmaceutical sciences.

Description of the Activity

The Faculty of Pharmacy, Major S.D. Singh University successfully organized a National Level Webinar on "Emerging Trends in Pharmaceutical Science" on 20 August 2026 in Hybrid Mode. The session was delivered by Dr. Neeraj Kumar Verma, Associate Professor, Institute of Pharmacy, Shri Ramswaroop Memorial University, Lucknow. The webinar focused on emerging developments, innovative research, technological advancements, current scope and future perspectives in pharmaceutical sciences. The resource person shared valuable academic and professional insights and highlighted the importance of innovation, research and continuous learning for future pharmaceutical professionals. Students, faculty members and other participants actively participated in the programme through both offline and online modes.

Outcome of the Activity

The webinar enhanced participants' knowledge and awareness regarding emerging areas, research opportunities and future prospects in pharmaceutical sciences. It encouraged students and faculty members to develop a research-oriented and innovative approach towards their academic and professional growth. A total of 787 participants registered for the webinar, out of which 350 participants attended the programme, including 264 offline participants (200 students and 64 faculty members), while the rest all participated in
