ACTIVITY COMPLETION REPORT

Name of Activity: Skill India Development Programme
Date of Activity: 29 October 2026
Organising Department: Faculty of Engineering & Technology
Coordinator: Dr. Anil Kumar Yadav
Total No. of Participant: 23

1. Introduction

The Faculty of Engineering organised a Skill India Development Programme on 29 October 2026. The programme aimed to create awareness among students about skill development opportunities, vocational training and government initiatives that support employability and entrepreneurship.

2. Objectives

- To promote skill-based learning and practical knowledge among students.
- To create awareness about Skill India initiatives.
- To introduce students to various MSME skill development programmes.
- To encourage students to participate in skill enhancement and vocational training programmes.
- To improve employability and entrepreneurial skills.

3. Programme Details

During the programme, students were introduced to various skill development opportunities available under the Skill India initiative. They were provided with references to different skill development and training programmes offered by the Ministry of Micro, Small and Medium Enterprises (MSME). Students were guided on how these programmes can help them acquire practical skills, improve their technical knowledge and enhance their employment opportunities.

4. Outcome

Students gained awareness of various skill development initiatives and MSME training programmes. They were encouraged to explore these opportunities and participate in relevant training programmes to strengthen their technical and professional skills.

5. Conclusion

The Skill India Development Programme was successfully organised under the coordination of Dr. Anil Kumar Yadav. The activity provided students with useful information and references to external skill development programmes, encouraging them to pursue additional training and improve their career prospects.
